- ☒ Roelof & Arne,  
Our deepest sympathy goes out to your family. We couldn't have wished for kinder or more generous neighbors than you. We have fond memories of all of you. You lived on Alp Court and we lived right behind you on Luton Court. We'll always remember Tanya climbing the fence to come over and play. She was always a pleasure to be around.

- ☒ Tanya,  
I will always remember your smiling face, easy going disposition, and of course our 8 and 10 o'clock coffee break. I have been retired almost 7 years now but we were able to keep in touch over all those years. I will greatly miss our breakfasts together with the old gang and the Lucent "status meetings". See you at the HOUSE.

- ☒ Tanya and I worked together on several events to make the work environment a better place for all employees. She was always willing to go that extra mile to make life at AT&T and Lucent more fun and supportive. She showed us how much she cared about us.

- ☒ Tanya was a dear friend to me for the ten years that I worked at Columbus Works. I still remember her as she was then, over 20 years ago. My deepest sympathies to the family. Tanya was a wonderful person and a loyal friend.

- ✘ Tanya is a wonderful friend, and has always been one of my favorite "sparring partners" at work. She always reveled in "picking on my politics". Tanya, you are greatly missed. My condolences to family and friends.

- ✘ Please accept my condolences to the family of Tanya. Tanya was one of the few folks I first met when I joined Bell Labs 18 years ago. Her friendliness made a difference on me. I will truly miss her.

- ✘ I was very saddened to hear the news of Tanya's passing. She was a good friend during my years at Lucent. She always had a smile when I spoke with her. I used to always try to embarrass her (which was easy), just to get her to laugh. I will miss that exchange. She went through too much in her life physically.

- ✘ Family of Tanya,

Tanya was a very good friend from Lucent and made many friends there. I remember the times we carpoled to pack food at the food bank and how she was always available to talk to people.

Your friend,

- ✘ Tanya - My Dear Friend,  
I am very saddened that you are no longer with us - but I am sure that God has bigger and better plans for you! I will always cherish the times we spent together - Lunches, dinners, shopping, chopping your trees/bushes out or just visiting. You were a true friend through the last 23 years of my life! I am thankful for the time we had here on earth together and I will cherish all the memories until we meet again some day. To Dad, Arne, Angela and Kids I send you my deepest sympathies. She was a precious daughter, sister and Aunt to you all - and I know she will be deeply missed. I hope time will heal your wounds. I know she did not want to go - but God has other plans for her. Her memories will live on with me and I will cherish what she has given me.

Love,  
Debbie Stephenson
